*Abstract Notification dated 20th December 1938.*

The attention of the public is invited to the notification, calling for tenders for the work of "Providing sanitary fittings in the General Hospital Buildings at Chikmagalur," published in pages 2323-2325, Part VI of the *Mysore Gazette*, dated 22nd December 1938.

The last date for receipt of tenders is 24th January 1939.

*Abstract Notification dated 20th December 1938.*

The attention of the public is invited to the Notification, calling for tenders for the work of "Laying main sewer line with outfall and disposal arrangements at the New General and Maternity Buildings at Chikmagalur," published in pages 2325-2326, Part VI of the *Mysore Gazette*, dated 22nd December 1938.

The last date for receipt of tenders is 24th January 1939.

*Notification dated 31st December 1938—7th January 1939.*

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 p.m., on 24th January 1939, for special repairs to the quarters at the Health Training Centre at Closepet. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of March 1939.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 11 a.m. and 5 p.m. on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 350 in cash (no cheques will be accepted) as earnest money, and be superscribed "Tender for special repairs to the quarters at the Health Training Centre at Closepet" in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Sanitary Engineer in Mysore who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Director of Health will be final and legally binding.

Abstract of quantities for special repairs to the quarters at the Health Training Centre, Closepet.

#### GOVERNMENT OF MYSORE—ELECTRICAL DEPARTMENT.

OFFICE OF THE CHIEF ELECTRICAL ENGINEER IN MYSORE, BANGALORE.

*Abstract Notification dated 30th December 1938.*

*Subject:—DIFFERENTIAL PULLEY BLOCKS FOR DAVANGERE.*

Attention is drawn to this office Notification dated 29th December 1938, No. G. N. 34, inviting tenders for the above work, published in Part VI, pages 56-57 of the *Mysore Gazette*, dated 5th January 1939. The last date of receiving tenders is 23rd January 1939.

*Notification No. 35, dated 4th January 1939.*

To

*The Firms dealing in Hardware Materials.*

GENTLEMEN,

Please quote your best rates for the supply of the following, delivered f.o.r., Maddur, Mysore State Railway:—

- (1) Four—Pulley Blocks with double thread work and worm wheel, one way automatic brake, ball swivel hook and chain for 10 feet hook to hook, worm gear, suitable for a working load of 7½ tons.
- (2) Four do do 5 tons.
- (3) Five do do ½ ton.

Tendering firms should supply literature concerned with the material offered and specify maker's name, country of manufacture, time of delivery, place of delivery, etc., in fact should supply complete information.

The tender should hold good for a period of one month from the date fixed for the receipt of the same.
